### Wheel Road Reopens to Traffic

(Bel Air, MD) - - Wheel Road from Cedar Lane to Glenangus Drive has reopened to traffic as of Wednesday, November 6. This portion of roadway had been closed since late June for road improvements.

This is the third and final phase of the Wheel Road project, and consisted of road construction, realignment to reduce hazards, installation of storm drain pipe and construction of retaining walls.

Travelers should be aware that some work will continue over the next week, which may involve a single lane closure at certain times.

Citizens may direct any questions to Project Manager Matthew T. Michael at 410-638-3217.
